## ***Anne Arundel County Lifeline 100 Century Ride Press Conference***

Please join the Anne Arundel County Police Department, Anne Arundel County Department of Recreation and Parks and Bicycle Advocates for Annapolis and Anne Arundel County for a press conference to announce details about an exciting inaugural event in our county.

The Anne Arundel County Lifeline 100 Century Ride will offer a great experience for cyclists of all levels with 100, 56 and 15 mile route options as well as a 'kiddie and family' ride. These routes will wind throughout scenic Anne Arundel County including views of downtown Annapolis, the Severn River, southern Anne Arundel County, BWI/Marshall airport and the B&A Trail.

The Anne Arundel County Lifeline 100 Century Ride will also welcome the community through an all day "Make Health Happen Community Health Fair" at Kinder Farm Park with representatives from the Healthy Anne Arundel Coalition, including local hospitals and public agencies. The fair will offer health screenings, fun activities for kids, families and more.
