Hats Off to Bicycle Advocates for Annapolis & Anne Arundel County

The Friends of Anne Arundel County Trails would like to thank our partner, BikeAAA, for their dedication in working to further mark the shoulders of county roads with safety signage. This all volunteer, non-profit's focus is "creating a healthier, more livable Annapolis and Anne Arundel County by promoting safe bicycling for transportation, recreation and fitness."

President of BikeAAA, Jon Korin, has been instrumental in pursuing this goal. Founded in 2013 as a Leadership Anne Arundel Flagship Program, BikeAAA began with six members. Since that time they have been working with the Bicycle Commission and the county, most especially Nestor Flores at the Department of Public Works to improve safety signage. Mr. Flores is proposing criteria for further markings along our county roads.

Thank you, BikeAAA for all you are doing!

The Roy Family at Bench Dedication

The Doris May Roy Bench

If you are on the BWI Trail surrounding the airport, you will find a comfortable rest stop at the newly dedicated Roy Bench. Family gathered recently to honor Doris May Roy who passed away in 2015.

Along each of the county trails, you will find special tributes to loved ones and organizations. For further information on purchasing a bench, a brick, bushes or trees, check out our website under "Lasting Gifts." Your donation adds to the comfort and interest of everyone's trail experiences.
